A MUSEUM OF CONTEMPORARY ART TOURING PROJECT

MUSEUM OF CONTEMPORARY ART

The Museum of Contemporary Art (MCA) is Australia's only museum dedicated to exhibiting, interpreting and collecting contemporary art from across Australia and around the world. The MCA seeks to make contemporary art accessible and engaging for a broad spectrum of public audiences through stimulating exhibitions, touring projects, education programs and special events.

The MCA has over 18 years' experience working directly with artists to develop and present complex art projects to Australian and international audiences.

MCA Touring programs offer innovative and engaging exhibitions and projects throughout Australia and the world, contributing to critical debate about contemporary art and ideas to a broad public.
